At a glance...

Full Title: Level 4 Certificate in Education and Training

Level: Level 4 (First year degree level)

Duration: 9 months

Attendance: Online

Start Date: Anytime

Location: Online

Funding: Advanced Learner Loan

Awarding Organisation: Focus Awards

Overview

This course will give you a thorough understanding of the role and responsibilities of educators, educational theories and inclusive practice in education. It also covers each stage of the teaching and learning cycle, which includes identifying learner needs, planning, facilitating, assessing and evaluating learning. This comprehensive course equips educators with the knowledge and skills necessary for effective and inclusive teaching. You must have access to 30 hours of teaching practice, which can be in a paid or voluntary capacity.

Entry requirements

There are no formal entry requirements for this course.

This course is open to learners of any age (19+) and background. You don't need any prior qualifications or experience although you must be confident in your English, maths and IT skills.

You must have access to 30 hours of teaching practice, which can be in a paid or voluntary capacity.

What will I study?

There are 6 mandatory units of study (21 credits) as follows:

- Understanding roles, responsibilities and relationships in education and training
- Planning to meet the needs of learners in education and training
- Delivering education and training
- Assessing learners in education and training
- Using resources for education and training
- Inclusive practice

These units have been broken down into ***easy to digest online modules.***

How will I be assessed?

Assessment takes place throughout the course. There are no exams.

Assignments:

You will be assessed on an ongoing basis during the course, via a series of assignments within the online course.

Teaching Practice:

3 hours must be observed directly (out of the 30 hours which must be evidenced).

EMD Assessors can assess via Zoom or video recording or authorise a suitably qualified person in your company (holding minimum Level 4 Education and Training, or equivalent) to observe you on our behalf.

Career Opportunities

Working as a teacher/trainer:

- in the further education sector
- in the vocational skills sector
- with learners on a one-to-one basis
- in small groups or whole classes
- in learning and development roles

Fees and Funding Information

At a glance...

Full Title: Level 3 Award in Education and Training

Level: Level 3 (equivalent to A-level)

Duration: 3 months

Attendance: Online

Start Date: Anytime

Location: Online

Funding: None available (course fee £249)

Awarding Organisation: Gatehouse Awards

Overview

The Level 3 Award in Education and Training is the ideal foundation course for anyone looking to teach in the adult education and skills sector. You can take this course regardless of your starting point. You will learn at a pace which suits you, as it's completely online.

Entry requirements

There are no formal entry requirements for this course.

This course is open to learners of any age (16+) and background. You don't need any prior qualifications or experience although you must be confident in your English, maths and IT skills.

There is no requirement for a work placement.

What will I study?

**There are 3 units of study
(12 credits) as follows:**

- Understanding roles, responsibilities and relationships in education and training
- Understanding and using inclusive teaching and learning approaches in education and training
- Understanding assessment in education and training

These units have been broken down into
easy to digest online modules.

You'll also take part in a 20-minute microteach activity.

How will I be assessed?

Assessment takes place throughout the course. There are no exams.

You will be expected to:

- complete 8 assignments
- carry out an observed 20 minute microteach session
- produce the session plan and any resources for your microteach session
- evaluate microteach sessions delivered by 3 other trainee teachers (videos of these will be provided for you)

Career Opportunities

The Level 3 Education and Training is the requirement for entry to teaching roles in the FE and skills sector. It also provides progression opportunities to further teacher training at Level 4, Level 5, or degree level.
